Hazrat Mirza Ghulam Ahmad
(Peace be upon him)
The Founder of the
Ahmadiyya Muslim Community

Purpose of Jalsa Sālāna

The primary purpose of this Convention is to enable every sincere individual to personally experience religious benefits; They may enhance their knowledge and – due to their being blessed and enabled by Allah, The Exalted– their perception [of Allah] may progress. Among its secondary benefits is that this congregational meeting together will promote mutual introduction among all brothers, and it will strengthen the fraternal ties within this Community.

Not an Ordinary Convention

It is essential for all those who can afford to undertake the journey, that they must come to attend this Convention which embodies many blessed objectives. They should disregard minor inconveniences in the cause of Allah and His Prophet (peace be upon him). Allah yields reward to the sincere persons at every step of their way, and no labour and hardship, undertaken in His way, ever goes to waste. I re-emphasize that you must not rank this convention in the same league as other, ordinary, human assemblies. This is a phenomenon that is based purely on the Divine Help, for propagation of Islam.
